

Sponsor A CLAWS Shelter Cat

CLAWS Cat Rescue & Adoption Shelter of Sussex, Inc. has hundreds of cats in need of loving homes.

Until qualified, permanent homes can be found, sponsors are needed to help provide veterinary care and cover daily expenses, such as food and cat litter.

Whenever you sponsor a CLAWS cat, we'll send you a thank you card featuring the photo and bio of a cat that your donation has helped.

During certain times of the year, CLAWS also offers holiday cards— if you choose, these cards can be sent as a gift to a loved one as a memento of your donation in their name.

To sponsor a cat, please fill out the form below and drop off OR mail to our shelter at:
